Our Guidelines

Please Note and Observe the Following

• A detailed floor plan must be submitted to Show Management preceding the event.

• The Pennsylvania Farm Show Complex reserves the right to increase the mandatory insurance cost in the case of potentially hazardous shows and events. These may include, but are not limited to, events involving weapons, operating motorized equipment and vehicles, and/or sporting events.

• Smoking is prohibited throughout the Farm Show Complex & Expo Center.

• Please do not bring any food or beverage into the building. We are able to keep our rental rates at a reasonable level because we derive a portion of our income from the sale of food and beverage. Farm Show Security reserves the right to check bags, coolers and/or other containers to enforce this no food or beverage policy.

• Please park only where assigned, as determined by Farm Show Security.

• Please do not block any doors. This is a fire safety requirement.

• Only Farm Show Complex employees are permitted to operate Complex equipment including forklifts, high-lifts, automobiles, trucks, golf carts, power equipment, etc.

• Please obtain permission from management before hanging signs and banners. Hanging signs from water lines, gas lines, heating pipes, electrical lines/equipment or telecommunication lines is specifically prohibited.

• When posting flyers or signage, please only use painter’s tape. We have painter’s tape available onsite for your use. Duct and scotch tapes are not permitted on walls.

• When marking floors, please only use “railroad chalk”. This chalk is available from our maintenance department. Paint, tape and aerosol type sprays are prohibited.

• Please refrain from placing decals on walls, floors or on any Complex property. The distribution of decals or stickers is prohibited.

• Please do not use the passenger elevators to move freight.

Internet and Telecom Service

The Farm Show Complex & Expo Center now offers free wireless internet service throughout the facility. As with any WiFi service, the connectivity level will vary throughout the Complex & Expo Center due to your location and other variables. While we intend to offer this free service at all times, we cannot guarantee that it will always be available.

IF YOU OR YOUR VENDORS REQUIRE INTERNET TO CONDUCT BUSINESS, WE STRONGLY RECOMMEND THAT YOU CONTACT A SERVICE PROVIDER TO INSTALL A WIRED CONNECTION.

Comcast: 866-663-5289 Option 1

The free internet service offered is not secure. You should take precautions to ensure your computers are protected. Some precautionary measures may include:

- When connecting to the Farm Show wireless system, the official network name is "FreeFarmshowWIFI"
- Never leave your computer or device unattended
- Don't loan your computer or device to someone unfamiliar to you
- Properly log out of Web sites by clicking log out instead of just closing your browser, or typing in a new Internet address
- Keep passwords and account numbers secure; don't store them on your computer or device, or share them with anyone
- When transmitting confidential information (i.e., credit card information), look for "https://..." in the web page address and a locked padlock (or key) icon on your Internet browser as indicators that you are accessing a secure site
- Use a virtual private network (VPN) solution if available and supported by the network
- Use a personal firewall if available and supported by the network
- Avoid using Web-based e-mail or instant messaging that uses clear (unencrypted) text to send information you deem confidential
- Remove or disable your wireless card if you are working offline on your computer and you are not planning to connect to the wireless network

*If an employee of the Commonwealth, please inquire about secure sign in through that system.
