RULES

- 1. Entries: ALL ENTRIES MUST BE MADE AND PAID ONLINE.** Each exhibitor may enter and exhibit no more than two entries in any one class. The open show entry fee is \$20 per animal and must accompany the online entry application. **It is the responsibility of the exhibitor to see that entries are made correctly and on time.**
- 2. Ownership:** Females may show with joint ownership provided one of the owners is the exhibitor. Bulls may show with joint ownership provided one of the owners is the exhibitor and that the bull was maintained on the exhibitor's farm at least four months of the preceding year. To be eligible for showing, the **original** registration certificate must be presented and must show the **transfer** of ownership of purchased animals, or the registry of cattle bred by the exhibitor, no later than the date entries close for the Farm Show.
- 3. Tattoo identification:** To be eligible to show, all animals must have a **legible** tattoo that agrees with the registration certificate.
- 4. All Other Breeds:** An AOB division is established for those breeds that fail to meet the minimum 15-head exhibited rule and for those breeds not represented by an individual breed show. A breed is defined as a recognized breed registry with a closed herd book. In the case of recognized breeds with an open herd book, the individuals entered in the show must be designated as "purebred" (with the singular exception of Maine-Anjou, which must have a tan-colored registration paper), as defined above, and recorded in the registry with a regular registration number (not an appendix number). All Other Breeds is defined as registered animals whose sire and dam both arise from the same purebred registry. In the case of recognized breeds within an open herd book, the individuals entered in the show must be designated as "purebred" by the association's designated colored registration certificate. **Cattle registered as ShorthornPlus, Chianina, and ChiAngus only may also be exhibited in this division.** Chianina and ChiAngus breeding cattle must have a minimum of 6.25% Chianina blood and ACA registration papers. For questions about eligibility, please check with Show Superintendent Walter Bumgarner (Wob10@psu.edu).
- 5. Extra Stall Space:** Prior to the entry deadline, exhibitors with one to four cattle may purchase up to two total extra spaces and exhibitors with more than four cattle may purchase up to four total extra spaces. Each additional space costs \$20.00.
- 6. Blocking Chutes:** A \$40 fee must be paid prior to November 3, 2021, for each beef cattle blocking chute to be used during the Pennsylvania Farm Show. Each firm, farm, or family is limited to one chute for one to three animals, two chutes for four to six animals, etc. A fee of \$50 must be paid for the first chute above these limits and \$100 each for all others. A sticker will be furnished by Show Management to serve as proof of payment. Blocking chutes must have this sticker affixed to the right rear upright at eye level. All chutes must be kept out of aisles and in designated areas or they will be removed from the grounds.
- 7. Barns Open:** The barns will be open on January 2, 2022, January 3, 2022, and January 4, 2022 from 8 a.m.-5 p.m. for beds to be prepared. Barns will close promptly at the listed times and exhibitors must immediately leave. Tie-outs cannot be reserved prior to 8 a.m. on January 2, 2022. All tie outs must be reserved with a sign listing the exhibitor or farm name and a phone number. Any beds prepared or signs placed prior to the listed date will be removed by Show Management.
- 8. Stalling:** The available room for beef cattle is limited. Stalls will be assigned on the basis of the number of entries by each exhibitor. Each exhibitor's area will be clearly marked and there will be a chart posted listing stalling assignments. All exhibitors will use stalls assigned them. These facilities are to be used only to tie livestock. In the case of animals entered but not exhibited, management will reassign excess stalls as deemed necessary.
- 9. Check-In:** Open-only Simmental, Maine-Anjou, MaineTainer, SimAngus/SimGenetics, and AOB division breeding cattle entries will be checked in on Thursday, January 6, 2022, from 8:00 a.m. to 12 noon. All other open and junior breeding cattle entries will be checked in from 10:00 a.m. to 2:00 p.m., on Saturday, January 8, 2022. Exhibitors must furnish **original** breed registration papers at that time. **No photostats, facsimilies, or copies will be accepted.** Tattoos will also be checked at that time. All required tattoos must be **legible** and match registration papers.
- 10. Grooming:** Use only grooming products that are approved for use on meat-producing animals when fitting any animal for show. Unapproved products may contain ingredients that result in unacceptable residues in the meat. If it is not certain that a product is residue safe and approved for use on meat animals, don't use it!
- 11. Unethical Fitting:** Any animal showing any evidence of unethical fitting practices such as tampering with the natural fleshing and muscle development (including but NOT limited to drenching and pumping of fluids) will be barred from the show and no premiums will be awarded. **No exhibitors shall be allowed to use any coloring agents on any animal exhibited. The Farm Show may adopt and implement various tests designed to monitor this prohibition, including but not limited to a "white glove" or "white towel" test. No aerosol cans or other pressurized containers will be allowed in designated makeup areas. Designated makeup areas will be the Lower Spine and arena areas. Any exhibitor found to be using coloring agents will forfeit all ribbons and premiums and will not be permitted to show for one year.**
- 12. Splitting large classes:** Farm Show Management shall have the option of splitting any beef cattle class **greater** than 10 head. This will be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date. Full premiums will be awarded in each class.
- 13. Group Classes:** Family members' animals registered in Junior members' names and entered in the Open Show may be treated as family entries in the group classes, as long as juniors are 19 years old or less as of January 1 of current year. For the purpose of Premier Exhibitor and Premier Breeder points, an exhibitor will be considered a Jr. member and their family as one, as explained above.
- 14. Animals Entered and Not Shown:** A penalty of \$100.00 per animal will be assessed to the owner for each beef animal entered and not exhibited (shown) at the Farm Show. Entries cancelled on or before December 23, 2021, will cause forfeiture of entry fees without penalty. In **extreme or unusual circumstances**, a written appeal of the assessment of the penalty or vet excuse will be considered if received by the **Farm Show Manager** on or before January 17, 2022.

15. **Release Time:** All beef cattle are dismissed at 6 p.m. on Monday, January 10, 2022. Cattle must vacate the North Hall by 9 p.m. on Monday, January 10, 2022. Cattle may remain in tie-outs until 6:00 a.m. on Wednesday, January 12. Any exhibit removed prior to the listed times without Show Management approval will result in forfeiture of all premiums.
16. **Supreme Champions:** A Supreme Champion Bull and a Supreme Champion Female will be selected from the Grand Champions of all breeds at the conclusion of the beef cattle show on Monday, January 10, 2022. \$250 will be award to the Supreme Champion Bull and Supreme Champion Female.
17. **Nose Ring/Lead:** All bulls 10 months of age or older must be shown with a nose lead or ring.
18. **Premiums:** The Farm Show contribution to premiums will be the same for all breeds, except Angus, as follows:

OPEN CLASS • PARTICIPATION STATEMENT

AMERICAN ANGUS ASSOCIATION

The American Angus Association®, 3201 Frederick Ave., St. Joseph, Mo., will participate in premiums offered for open class Angus breeding cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year.

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association’s portion of premiums. The Association does not pay on championship or any group classes (i.e. get-of-sire, junior get-of-sire, or breeder six-head).

Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look-up. Any animal upon check-in that does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks, or hot-branded marks) corresponding to the permanent identification mark on the registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.

Any female shown with a calf at side: The calf must be the cow’s most recent natural calf, and the calf must be registered by show day and have proof of registration at check-in.

Only one person at a time shall lead an animal into the show ring.

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2: Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800-810. These rules can be found at www.angus.org.

Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp, or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals, or artificial filling. Any animal found to be in violation will be barred from showing.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors, or member owners at such show shall be allowed to use any coloring agents on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a “white towel” or “white glove” test. No aerosol cans or other pressurized containers will be allowed in designated lineup areas.

All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown if there are reasonable grounds to believe a violation has occurred.

OPEN SHOW • AMERICAN ANGUS ASSOCIATION

SHOW CLASSIFICATION FOR ANGUS

Any classes listed in this classification that exceed 15 head per class should be broken into smaller classes. This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date.

Example 1: If 16 head are entered in Class 4, the class should be broken into two classes of eight; a class of seven and nine; or a class of 10 and six.

Example 2: If 32 head are entered in Class 4, the class should be divided into three classes consisting of two classes with 11 head and one class of 10 head or similar without putting animals with the same birth date in different classes.

Class breaks will be at the discretion of the American Angus Association staff in attendance.

**THIS CLASSIFICATION IS EFFECTIVE FOR SHOWS
FROM JANUARY 1, 2022, THROUGH MAY 31, 2022**

Only registered Angus cattle that meet the age requirements listed within this classification are eligible to receive premium participation and be counted in the total number of head shown - Champion and Reserve Champion placings are not counted in number of head shown.

Any female that qualifies for female classes in the Association's standard classifications is not eligible to show in the cow/calf classes. However, the calf at the side of the female is eligible to show in its respective class.

1. ALL CATTLE MUST BE PUREBRED WITH A **RED** REGISTRATION CERTIFICATE TO BE ELIGIBLE TO SHOW.
2. Entry in this show binds the exhibitor to all regulations pertaining thereto.
3. All animals must be registered as the property of the exhibitor in the records of the American Shorthorn Association as of the date entries close for the Farm Show.
4. Individual animals shown in all of the group classes listed below must have been entered and shown in their appropriate individual class(es).
5. Multiple-owned animals must be exhibited in the name of all owners.
6. Family bred and raised animals entered by Juniors in junior classes and subsequently entered in open classes may be treated as family entries in group classes. Exhibitor points may be awarded to an exhibitor for animals owned in partnership with non-exhibitors.
7. Revisions of the Senior/Junior Yearling Pregnancy Rule for exhibitors at all open shows: Any senior/junior yearling female 28 months of age or older on the date of the show must have a natural calf at side and must be shown with such. All females 20 months of age or older on the date of the show must have a 60-day pregnancy verification signed by an accredited, non-owner veterinarian at the time the female is processed for the show. If a verification cannot be produced, the female may be allowed to participate if the exhibitor can produce a qualified veterinarian to examine the female at the show site and verify a 60-day pregnancy. Any infractions against this rule will lead to disqualification of that individual.
8. All Shorthorns are subject to a tattoo inspection by representatives of the Association. All Shorthorns are also subject to an age inspection if deemed necessary by the American Shorthorn Association and the **decision of the examining veterinarian is final. Use of artificial fins on show animals is not permitted.**

All Hereford entries must be duly recorded with the American Hereford Association. Any animal with a pending registration or without a legible tattoo will not be eligible for show competition. All entries are subject to provisions and rules for showing as set forth by the American Hereford

Association Board of Directors and are subject to supervision of the Show and Sale Committee representing the AHA. Jointly owned animals must be entered and exhibited under the joint ownership in the individual heifer and bull classes. Jointly owned animals may be shown in the group classes by one of the co-owners under his banner, or may be shown in the class under the joint ownership, if all animals are owned alike.

A common ownership of all four animals in the "Get-of-Sire" is not required. They may be solely owned or jointly owned by different breeder exhibitors, but the "Get-of-Sire" entry may be entered/exhibited in the name of only one herd.

Females

Special class for Cow-Calf pairs. Any female calved August 31, 2019, & older with a calf at side. Calf must be cow's natural calf, not embryo transplant. Applications for registration/entry of calf must be on file with AHA prior to show date. Owner of cow must be recorded owner or co-owner of calf. Calf is eligible to compete in individual calf classes but must be entered in the appropriate class. Cow/Calf does not compete for Overall Champion Female.

Group Classes

- 0915** Get-of-Sire: Four animals, shown in above single entry classes with both sexes represented and all to be progeny of one sire. It is permissible to use either the cow or calf from a cow/calf pair for the Get-of-Sire. All cattle exhibited in the Get-of-Sire must be bred and owned by the exhibitor or a member of their immediate family.
- 0916** Best Six Head: Owned by exhibitor. All animals must have been shown in their respective single entry classes and they must be owned by exhibitor or by a member of his/her immediate family. A cow/calf will be considered as two head in the Best Six Head Class.
- 0917** Premier Exhibitor: Computed from winnings; 3 points for first prize; 2 points for second prize; and 1 point for third prize; 3 points for Grand Champions; 2 points for Reserve Grand Champions.
- 0918** Premier Breeder: 5 points for first prize; 4 points for second prize; 3 points for third prize; 2 points for fourth prize; 1 point for fifth prize. Points are given for individual classes ONLY of bulls and heifers. No points given for Champion or Groups. In case of ties, sixth place to be counted on a 1-point basis.

All Simmental entries must be registered with the American Simmental Association and be designated as purebred on their registration certificate. Exhibitors must have original registration certificate on each animal available for inspection at the show. No copies, facimilies, or Herd Handler will be accepted. Any animal not having a legible tattoo corresponding to its registration certificate is ineligible to show. Once disqualified due to an incorrect or ineligible tattoo, animals cannot be re-tattooed and re-checked at the show. All females born February 29, 2020, and prior must be certified pregnant by a licensed non-owner veterinarian or have certified documentation that she has been used in embryo transfer. All bulls born December 31, 2019, and prior must have veterinary proof of semen test or breeding soundness exam sufficient to prove the bull as a satisfactory breeder. All animals are subject to a medical examination in order to determine age and each animal will be presented in the show ring in its natural conformation without alteration or modification. A common ownership of animals entered in the Produce-of-Dam, Get-of-Sire, and Junior Get-of-Sire is not required; they may be solely owned or jointly owned by different breeder exhibitors, but the entry must be entered and exhibited in the name of only one herd.

Females

Cow/Calf Pair - Calf must be cow's natural calf, not embryo transplant. Calf must be born May 1, 2020, or after. All calves over 30 days of age, exhibited alongside their dams, must have an original registration certificate. Owner of cow must be recorded owner or co-owner of calf. Calf is eligible to compete in individual classes with separate entry fee. Pair is not eligible for Grand or Reserve Grand Champion Female. Cow and/or calf may be included in group class entries as individuals, not as a pair comprising a single animal unit.

1. Exhibitors are subject to all rules and regulations of the American Maine-Anjou Association. When entry is made, exhibitors agree to abide by the rules and regulations established by the AMAA as well as the rules of the Show Management. Entries found to be misrepresented, or persons not abiding by the show rules, may be disqualified from showing.
2. All animals must be registered in the AMAA or CMAA and the original registration certificate presented at check-in.
3. All animals must be registered in the REGULAR registry with a tan-colored registration certificate only.
4. Tattoos will be checked, must be legible, and must correspond exactly with the registration certificate. Other than brucellosis calfhood tattoo, there shall be no permanent identification marks other than those noted on the certificate of registry.
5. The altering surgical or non-surgical alteration of conformation of an animal is prohibited, except for de-horning. Cattle must be shown in their natural condition.
6. The use of false tailheads or adding hair or other material to any part of the animal's body is prohibited.
7. The dyeing or artificial changing of the existing color pattern and color will be prohibited.
8. All animals over 7 months of age must be de-horned.
9. Bulls 10 months of age and older will be shown with a bull lead in place.
10. Heifers exhibited at 20 months of age or older must be accompanied by a certificate of pregnancy. For heifers used in embryo transfer, a certificate of positive fertility issued by a licensed veterinarian must be available for inspection.
11. Bulls exhibited at 14 months of age or older must be accompanied by a positive semen test or a signed statement from a veterinarian verifying that the bull is a known breeder.
12. Any and all cattle shall be made available to have blood drawn for parentage verification, detection of foreign substances, or the presence of altering. If recorded parent is excluded as a result of the blood typing, the owner may at his or her expense request the AMAA to determine the actual parent. Failure to determine parentage will result in disqualification of that animal from the AMAA herd book.

Females

Cows exhibited with calves at side must be lactating. Calves must not exceed 240 days of age on the day of judging and must still be nursing. Calf entries in the Cow/Calf class may be shown individually, provided proper entry has been made. Champion Cow/Calf pair is eligible for Champion Female.

Group Classes

- 1495** Produce of Dam: Two animals of either sex from one dam. All animals must be shown in their individual classes to be eligible. Offspring do not need to be owned by the same exhibitor.
- 1496** Junior Get-of-Sire: Three animals by one sire, both sexes represented, shown in classes 1440 through 1448 or classes 1469 through 1477. Offspring do not need to be owned by the same exhibitor.
- 1497** Get-of-Sire: Four animals, both sexes represented. Sired by one bull. All animals to be shown in individual classes. Offspring do not need to be owned by the same exhibitor.
- 1498** Best Five Head: Must be owned or co-owned by one exhibitor. All animals to have shown in individual classes.
- 1499** Premier Exhibitor: Computed from winnings in open individual classes; 3 points for first prize and Grand Champion; 2 points for second prize and Reserve Grand Champion; and 1 point for third prize. No points for individual Champions or group classes. Points will accumulate for those animals with exactly the same owner as recorded on the registration certificate.
- 1500** Premier Breeder: Award is computed from winnings with 5 points for first prize; 4 points-second prize; 3 points for third prize; 2 points for fourth prize; 1 point for fifth prize. Points are awarded to exhibitors for animals shown in open individual classes including those bred in partnership. No points given for Champion or Groups. In case of ties, sixth place to be counted on a 1-point basis.

1. Exhibitors are subject to all rules and regulations of the American Maine-Anjou Association. When entry is made, exhibitors agree to abide by the rules and regulations established by the AMAA as well as the rules of the Show Management. Entries found to be misrepresented, or persons not abiding by the show rules, may be disqualified from showing.
2. All animals must be registered in the AMAA or CMAA and the original registration certificate presented at check-in.
3. All animals must be 25% (1/4) to 62.5% (5/8) Maine-Anjou.
4. Tattoos will be checked, must be legible, and must correspond exactly with the registration certificate. Other than brucellosis calfhood tattoo, there shall be no permanent identification marks other than those noted on the certificate of registry.
5. The attempted surgical or non-surgical alteration of conformation of an animal is prohibited, except for de-horning. Cattle must be shown in their natural condition.
6. The use of false tailheads or adding hair or other material to any part of the animal's body is prohibited.
7. The dyeing or artificial changing of the existing color pattern and color will be prohibited.
8. All animals over 7 months of age must be de-horned.
9. Heifers exhibited at 20 months of age or older must be accompanied by a certificate of pregnancy. For heifers used in embryo transfer, a certificate of positive fertility issued by a licensed veterinarian must be available for inspection.
10. Any and all cattle shall be made available to have blood drawn for parentage verification, detection of foreign substances, or the presence of altering. If recorded parent is excluded as a result of the blood typing, the owner may at her or his expense request the AMAA to determine the actual parent. Failure to determine parentage will result in disqualification of that animal from the AMAA herd book.
11. Cows exhibited with calves at side must be lactating. Calves must not exceed 240 days of age on the day of judging and must still be nursing. Calf entries in the Cow/Calf class may be shown individually, provided proper entry has been made. Champion Cow/Calf pair is eligible for Champion Female.

**AMERICAN ANGUS ASSOCIATION
JUNIOR ANGUS HEIFER SHOW • PARTICIPATION STATEMENT**

The American Angus Association®, 3201 Frederick Ave., St. Joseph, MO, will participate in premiums offered in individual classes for junior Angus heifers, as included in its standard show classifications, according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of 15 head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums.

Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.

To be eligible for Association premiums, the entries must be recorded in the sole name of the junior exhibitor and the issue date on the registration certificate must conform to the individual show’s requirements regarding ownership. The Association’s contribution is included in the total premiums listed in each class.

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association’s portion of premiums. The Association does not pay on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.

Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look-up. Any animal, upon check-in, that does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks, or hot-branded marks) corresponding to the permanent identification mark on the registration certificate is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and re-checked at the show.

Any female shown with a calf at side: The calf must be the cow’s most recent natural calf, and the calf must be registered by show day and have proof of registration at check-in.

Only one person at a time shall lead an animal into the show ring.

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800-810. These rules can be found at www.angus.org.

Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp, or other similar substances used externally are also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals, or artificial filling. Any animal found to be in violation will be barred from showing.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors, or member owners at such show shall be allowed to use any coloring agents on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a “white towel” or “white glove” test. No aerosol cans or other pressurized containers will be allowed in designated lineup areas.

All animals exhibited are subject to DNA marker or blood type test to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show.

Any classes listed in this classification that exceed 15 head per class should be broken into smaller classes. This should be accomplished by dividing the class as evenly as possible without splitting animals with the same birth date.
 Example 1: If 16 head are entered in Class 4, the class should be broken into two classes of eight; a class of seven and nine; or a class of 10 and six.
 Example 2: If 32 head are entered in Class 4, the class should be divided into three classes consisting of two classes with 11 head and one class of 10 head or similar without putting animals with the same birth date in different classes.
 Class breaks will be at the discretion of the American Angus Association staff in attendance.

Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

**AMERICAN ANGUS ASSOCIATION
STANDARD CLASSIFICATION FOR JUNIOR HEIFER SHOWS
THIS CLASSIFICATION IS EFFECTIVE FOR SHOWS
FROM JANUARY 1, 2022, TO MAY 31, 2022**

Only registered Angus cattle that meet the age requirements listed within this classification are eligible to receive premium participation and be counted in the total number of head shown. Champion and Reserve Champion placings are not counted in number of head shown.

ALL OTHER BREEDS DIVISION SECTION 19

All Other Breeds Show - Any breed with less than three exhibitors will be combined with others to make an All Other Breeds division and for those breeds not represented by an individual breed show. All Other Breeds are defined as registered animals whose sire and dam both arise from the same purebred registry. In the case of recognized breeds within an open herd book, the individual entered in the show must be designated as "purebred" by the association's designated colored registration certificate. This division also includes all cattle registered as ShorthornPlus, Lim-Flex, Chianina, ChiAngus, and SimAngus only. Chianina and ChiAngus breeding cattle must have a minimum of 6.25% Chianina blood and ACA registration papers. Legible tattoos must match the registration certificate exactly. For questions about eligibility, please check with Show Superintendent Walter Bumgarner (wob10@psu.edu) prior to entry.
